1st Annual Woodstock Wildcats “ROAR” U9 Jamboree Rules

December 1st – 3rd, 2023 (OWHA Sanction #2324053)

Game play rules have been created to maximize player engagement by increasing the opportunities to interact with the puck and other players. A simplified version of the game allows younger players to focus on elements of the game they enjoy most. Our Woodstock Wildcats U9 Jamboree will follow these rules / guidelines implemented by the OWHA.

All registered U9 Teams to consist of enough players to play on both sides (halves) of the ice including 2 goalies and 2 bench staff.

Playing Rules

- 4 vs 4 format (Each team is required to have a goalie.)
- 3 minute warm up.
- No center-ice line, therefore no icing; No blue-lines in play, therefore no offsides; No score is kept.
- All teams must be available to play **15** minutes prior to the scheduled start time if ice is empty.

Rink Set-Up

- Barriers will be placed along the center red line to divide the two ends.
- Game length will be 42 minutes (2 - 21-minute periods).
- Shift lengths will be 90 seconds with an automatic buzzer to indicate players change.
- Main score clock will be utilized to keep time for both games simultaneously.
- Home team will defend the ends of the rink; Visiting teams will defend the center-ice nets.
- Teams will share the player benches with each team using the gate closest to the net they are defending.
- Both games will be synchronized.
- Officials work together to keep the games synchronized.
- There will be two face-offs during the ice time;
- The first face-off will start the game.
- The second face-off will start the second half.

Shifts

- On the buzzer, players must relinquish control of the puck immediately and vacate the ice. The new players enter the ice immediately.
- Failure to immediately relinquish control of the puck or new players entering the ice surface prematurely may result in a penalty for the offending team.
- If there are fewer than four players on the bench, the active player designate to stay out for the following shift must tag up at the bench prior to continuing play.

Change of Possession

- Goaltender freezes the puck- the official blows the whistle to indicate the attacking team backs off and defending team gets possession.
- Puck shot out of play- the offending team backs off and the official gives the non-offending team a new puck.

Penalties

- Minor penalties are noted with the official briefly raising their arm to indicate a penalty will be assessed. At the conclusion of the shift, the official notifies the coach of the infraction and the number of the offending player.
- If the offending team controls the puck after the infraction, the official blows the whistle and calls for a change of possession; the non-offending team is given room to play the puck (three-metre cushion).
- The offending player will sit out the next shift, but the team will play even strength.
- Should an infraction occur that would normally require a player to be ejected from the game (game misconduct, match penalty or gross misconduct), the player will be removed from the remainder of that game. Even under these circumstances, teams will not play shorthanded. A major penalty report must be completed and sent to discipline@owha.on.ca.
