

All Players / Parents are required to complete a Passive Pre Screening before entering the City of Woodstock Arena Facilities.

The following are the questions that need to be asked.

Pre Covid-19 screening:

If you answer yes to any of the following questions, do not come to the City of Woodstock arenas and consult your health care provider or local Public Health Unit on any requirements:

1. Have you, or anyone in your household, travelled outside Canada in the last 14 days
2. Have you, or anyone in your household, been in close physical contact with any person who is being investigated or has tested positive for, COVID-19 during the past 14 days.
3. Are you experiencing any of the following new or worsening symptoms associated with COVID-19?
 - Fever (temperature of 37.8°C or greater)
 - New or worsening cough
 - Shortness of breath
 - Difficulty breathing
 - Sore throat
 - Runny nose or nasal congestion without other known cause (in absence of underlying reasons for symptoms such as seasonal allergies and postnasal drip)
 - Difficulty swallowing
 - Decrease or loss of sense of taste or smell
 - Nausea / vomiting, diarrhea, abdominal pain
 - Unexplained fatigue / malaise / chills
 - Headache - Note: headache should only be considered a COVID-19 symptom when it is non-typical for the individual or if it is typical for the individual and is accompanied by any other COVID-19 symptoms.
 - Pink eye (conjunctivitis)
